MEMORANDUM TO COUNSEL

Plaintiff's counsel urges me, by letter dated October 12, to rule her motion to remand in advance of her obligation to supply a notice of opposition to an MDL transfer order. For informational purposes I advise that, if I ruled today, I would remand for reasons developed in plaintiff's reply brief. (Doc. 18). The press of other business has limited my consideration of the briefing, however, and in fairness to defendant I will not grant the motion without further consideration. A ruling next week is anticipated.
